WESTMINSTER CONFESSION OF FAITH

Question of the Week (answer on the back)

Q: Which is the third commandment?

Don't Go Changin'. The House and Grounds Committee recently re-set all the thermostats for the winter season. Due to climbing utility bills at Westkirk that coincide with more use of our beautiful facility, they also changed the time settings to a more favorable routine that fits our schedule. We hope that the new settings will mean less adjusting of the individual thermostats. Will you do us a favor? If you need to adjust the temperature in your area of the building, please do not adjust the temperature up and down and then push HOLD. NO HOLD! Hold leaves the temperature at that setting permanently. This means it runs at that temperature until someone else comes along to set it back – which could mean for a day or more. Simply adjust the temperature and leave it there. When the next scheduled cycle comes along, it will go back to where it should be to save us money. Thank you!

Men's Breakfast. Please join us this Saturday, November 3, at 8:00 a.m. in the Great Hall for a Men's Breakfast. We will be enjoying BACON (and eggs, sausage, and pancakes), as well as a time of fellowship. Sons are more than welcome to attend. If weather permits, we will also be playing a game of wiffleball after breakfast. Please sign up on the Connect Card if you plan to attend.

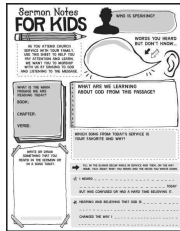

Redeemer Presbyterian Church. Our friends at Redeemer will be holding their first worship service in their new building on November 18. They are planning on purchasing chairs (similar to our red chairs in the Great Hall and Hospitality Room) for their new fellowship space. We are hoping to contribute 100 chairs! Can you donate 1? If you would like to give towards the purchase of one or more of the chairs, please put a check in the offering with a notation that it is for the benefit of Redeemer Presbyterian Church. The cost for each chair is approximately \$25. One chair has already been offered and we will have it for display when it arrives. Thank you!

Don't Miss a Single Sound. When you are here at Westkirk, you want to experience every word, note, and moment of worship. That is what you come for! Most of our members and attendees suffice with our very fine sound system, but inevitably there are several in the congregation who could use some additional help. We have an assistive listening system purchased from the funds that have been generously given to our Memorial Gift fund, in memory of the loved ones of many of our Westkirk family. The system is called LISTEN. It can help ensure that everyone here to worship the Lord can receive a clear and interference-free experience. The receiver can sit next to you on the pew, be held in your hand, or be attached to a belt. The earpiece comfortably fits over your ear and can be used with or without hearing aids. The product is designed to be easy to use, convenient, and the volume is controlled by you. Westkirk has purchased 4 receivers to loan out during service time. We will order more to fit the demand. Please do not be ashamed to ask the Sound Technician volunteer to use a LISTEN receiver!

Volunteers are urgently needed for Kidskirk during both services, and for the Nursery during all programming times! If you're not currently regularly volunteering in Children's Ministry, would you consider serving in these areas, even as seldom as once per month? Training, lessons and supplies are provided--all you need is a willing heart! Please see Benaë Duff for details, call/text her at (515-707-9072), or email her at benaeduff@westkirk.org. Thank you!

Sermon Notes for Kids are available at the Welcome Center! Kids of any age can complete them during the sermon, and can show them to Mrs. Duff after the service to receive a small reward for their hard work!

Catch Westkirk on Truth Network (99.3 FM) radio during the week. Now on at 12:00 Noon.

A: The third commandment is, Thou shalt not take the name of the Lord thy God in vain: for the Lord will not hold him guiltless that taketh his name in vain.
